 - Only includes areas covered by living turf grass; the grass must be living when the landscape design is approved. **(Do not kill your lawn until your landscape design has been approved by LBWD)**. Pre-existing projects are not eligible for the L2G incentive.
 - Must be on a property whose water service is provided by LBWD.
 - Must be no greater than 1,500 square feet; there is no minimum. (Actual re-landscaped area may be larger than 1,500 square feet, but only the first 1,500 square feet are eligible for the L2G incentive.)
 - May only include the front yard and parkways; other landscaped areas, such as side yards or backyards or island medians, are not eligible. The front yard area must be visible from the street.
 - Must be re-landscaped based on a design approved by LBWD. Approval will be based on the “Design Requirements” document.
 - If, in its sole discretion, LBWD finds the re-landscaped area has not been properly maintained or if the landscape has been altered significantly from the approved design (for example: if turf grass is reintroduced), Property Owner, if he/she has not sold the property by that time, shall reimburse LBWD for the L2G payment as follows: 100% reimbursement if finding made in first 365-day period after payment; 80% reimbursement if finding made within 2nd 365-day period after payment; 60% if finding made within 3rd 365-day period after payment; 40% if finding made within 4th 365-day period after payment; and 20% if finding made within 5th 365-day period after payment.

Incentive Payments

- Applications will be approved for funding in the order in which landscape designs are approved.
- In order for an application to be approved and for an incentive payment to be made, the owner of the water account irrigating the L2G re-landscaped area must stay current on its City of Long Beach utility bill from the time of the application through the L2G payment and cannot be in violation of any LBWD water-use prohibitions during that period.
- The L2G Incentive Program and the Terms and Conditions set forth herein, and the [Design Requirements](#) are subject to change without notice.

Property Owner

Property Owner must sign and submit the L2G application.

- As of July 1, 2018, Property Owner will receive three dollars (\$3.00) per square foot for lawn replaced in accordance with the Terms and Conditions and Design Requirements.
- **Property Owner has sole responsibility for any and all tax consequences resulting from Property Owner receiving the L2G payment, and will be issued a 1099-M at the end of the year in which the incentive was issued. This is a taxable incentive program, not a rebate.**
- Property Owner has sole responsibility for complying with all applicable laws, permits, ordinances, codes, policies, covenants, and conditions that may apply to performance of the lawn removal/landscape conversion project. - Property Owner shall make the property available to LBWD and/or its agents, in order (1) for LBWD to verify compliance with the L2G Program, including but not limited to: the condition of the landscape prior to and after the L2G installation, the size (in square-feet) of the L2G landscape area, the efficiency of the new irrigation system; and (2) for LBWD to exercise its rights under the L2G Program to use the design of the L2G landscaped area as well as descriptions of it, and before- and after-photos and videos of it, for the purpose of promoting drought tolerant landscapes.
- Any application containing inaccurate or misleading information will be disqualified from the L2G Program and any and all commitments made by LBWD related to that application, including commitments to make L2G incentive payments, shall be automatically rescinded and rendered null and void.
- Property Owner is limited to one L2G application per water account; If a person/company owns multiple properties, a maximum of five (5) approved L2G applications will be eligible; for example, a company owning 30 properties with 90 different water accounts may receive approval for a maximum of five applications (one each for 5 water accounts).
- Property Owner, if submitting the L2G application on-line, may be required by LBWD as a condition of receiving the incentive payment to sign a paper copy of the Application within two (2) weeks of being notified of having been approved, provided LBWD makes that paper application available to them.

In other words, LBWD shall only pay for the square footage of the landscape actually installed that is congruent with the approved design, up to the maximum amount of square feet allowed in the program.
- Certain information related to rebate and incentive payments made by LBWD to customers and contractors may be subject to the California Public Records Act.
