

Landscape Maintenance Consultation Agreement

To help you, our valued Lawn to Garden customer, protect your investment in your new drought-resistant garden, Long Beach Water Department (LBWD) has created the “Landscape Maintenance Consultation” program. For a nominal fee of just \$50, a landscape professional will come to your home for a two-hour consultation.

These professional consultations will pair participants with landscape professionals and give them the time and opportunity to receive an onsite visit where they can ask questions and receive tips on various maintenance aspects such as plant health and watering, pruning, and weed management.

To participate in our Landscape Maintenance Consultation program **you must have completed your Lawn-to-Garden project.** Please complete and sign this “Landscape Maintenance Consultation Agreement” and mail it with your \$50.00 check (made payable to “Long Beach Water Department”) to:

Once we receive your payment you will be contacted by a landscape professional to schedule a meeting. For more information call (562) 570-2313.
